GUANGXI PROGREEN PACKAGING CO., LTD specializes in the research and production of food and beverage packaging, empowering our customers for success and competitive edge through innovative packaging. Our packaging solutions include ice cream containers, coffee cups, food wraps, boxes, clear cups, and paper bags.

Unique Geographical Location

Our factory, strategically located in the China-ASEAN Green Creative Printing Industry Park in Nanning, enjoys unique geographical advantages and robust national support. Serving as a central hub for the green, intelligent, high-tech, and creative printing and packaging industry.

Independent Workshops

ProGreen maintains an independent workshop, ensuring a clean, safe, and efficient working environment that positively impacts product quality and production efficiency.

Environmentally Innovative Approach

Committed to an eco-friendly philosophy, ProGreen incorporates cutting-edge printing technologies and biodegradable materials, delivering high-quality products while minimizing our environmental footprint.

Advanced Production Capacity

ProGreen boasts an annual production capacity exceeding 100 million cups, bags, and paper boxes. Equipped with flexo printing machines enabling 8-color printing, along with over 50 cup-making machines, high-speed bag-making machines, and box-making machines.

Diverse Crafting Expertise

Our ability to incorporate foil stamping, embossing, and velvet techniques into our products sets us apart, showcasing a commitment to diverse and innovative packaging solutions.

With an innovative packaging solution and a strong reputation, our business extends to over 30 countries in Oceania, North America, Europe, and the Middle East. We maintain an open-door policy for all customers, welcoming inquiries. Feel free to visit us!
